

Anton Paar Spain S.L.U. your partner in Spain

Dear Ladies and Gentlemen,

You know and rely on the quality of Anton Paar's high-precision measuring instruments. For more than 20 years Massó Analítica S.A. was our distribution partner and has provided high quality advice, service and support for Anton Paar.

Anton Paar GmbH has always rated Massó Analítica S.A. highly and would like to thank them for the good cooperative relationship. With Massó Analítica S.A. Anton Paar's high-precision measuring instruments were in best hands.

To strengthen activities in Spain and provide you with the best support via Anton Paar specialists, Anton Paar GmbH has now established a subsidiary in Spain, Anton Paar Spain S.L.U..

From 1 January 2019, Anton Paar Spain S.L.U. acquires exclusive rights to any of the Anton Paar products on the Spanish market.

Anton Paar Spain S.L.U., based in Madrid and Barcelona, is at your disposal. Our team is looking forward to meeting you in person and providing you with our high quality application know-how and sales and service support. In order to enable us to provide you the best support, we kindly ask you to inform us about all Anton Paar instrumentation that you currently use.

Your new contact is:
