

# Powder and Particle Bootcamp

Latest advances in powder XRD instrumentation

## Wednesday November, 15 Morning

08:30 a.m.	X-ray analysis at Anton Paar: An overview
08:40 a.m.	New dynamics in diffraction: Latest advances in powder XRD instrumentation
09:30 a.m.	Virtual demo of XRDynamic 500 live from the application lab
10:30 a.m.	Coffee break
10:45 a.m.	Non-ambient XRD: Tips, tricks, and common challenges
12:00 p.m.	End
