2:00 pm to 2:30 pm	Coffee, Networking & One-to-One Consultations Connect with our specialists for individual application discussions

Refreshments

Lunch, coffee and tea will be provided

What to Bring

Participants are welcome to bring their own samples for testing and discussion during the workshop. If you would like your sample to be tested during the session, please inform the contact person in advance so our team can review the requirements and prepare accordingly.

Samples brought on the day without prior notice cannot be tested during the workshop. However, our team will be happy to evaluate them afterwards and share the results with you at a later date.

Workshop Takeaways

In addition to practical knowledge and hands-on experience, each participant will receive a digital training certificate from Anton Paar UAE and a complimentary copy of The Chemist's Guide to Sample Preparation.
