

Extrusion Meets Analytics Knowledge Along the Process Chain

Agenda of the day

08:30 am	Registration, Welcome & Coffee
08:45 am	ACE Labs Introduction
09:00 am	Anton Paar Polymer Portfolio Overview
09:30 am	Session 1 – Fundamentals of Polymer Rheology
10:15 am	Coffee Break
10:30 am	Session 2 – FTIR & Raman Spectroscopy Material Characterization
11:30 am	Laboratory Practical Session
12:45 pm	Lunch & Networking
01:45 pm	Session 3 – Using the Thermal Effects of Polymers for Characterization: The DSC Measurement Method
02:30 pm	Laboratory Practical Session
03:45 pm	Coffee Break
04:00 pm	Session 4 – Mixing and Extrusion in Polymer Processing
04:45 pm	Laboratory Practical Session
06:00 pm	End of Workshop
