

Mechanical Surface Characterization Seminar

As part of the Mechanical Surface Characterization Seminar, organized by Anton Paar TriTec on November 5 – 7, 2025, photography, video recording and other forms of media capture may occur. These images and recordings may be used for communication purposes, to promote similar initiatives in the future, as well as to document the event. This includes, but is not limited to, sharing images on Anton Paar social media platforms and the MSC Seminar's official webpage to illustrate and promote the event's content.

By signing this form, you agree to allow photographs to be taken of you during the MSC Seminar and for those images to be used for communication purposes.

Details of Consent:

1. **Media capture during the MSC Seminar:** You consent to being filmed and photographed while participating in activities, sessions, or other seminar-related events.
2. **Use of Images:** You grant the seminar organizers the right to use the photographs and medias in the following ways:
 - Posts on social media platforms (e.g., LinkedIn, etc.)
 - Articles, blog posts, or promotional material on the seminar's official webpage
 - Other communication tools related to the promotion of the seminar or similar future events
3. **Purpose of Use:** Images will be used solely for illustrative and communication purposes, to promote similar initiatives in the future, as well as to document the event.
4. **Voluntary Participation:** This consent is voluntary, and you may choose to decline participation. If you do not wish to be photographed, please inform the seminar organizers in advance.
5. **Revocation of Consent:** You have the right to revoke this consent at any time by notifying the seminar organizers in writing (events.tritec@anton-paar.com). However, revocation will not apply to images already published or in use at the time of notification.
