- ✓ admission to the *SAXS excites 2019 Symposium*
- ✓ travel from the winner's location to Graz
- ✓ 2 nights' stay in a **** hotel in Graz during the symposium

The drawing will take place at Anton Paar's SAS 2018 booth (#11-13) **on Wednesday, 10 October 2018, 11 am EDT**. The winner will be drawn at random from all duly completed entry forms and has to be present personally at the booth during the drawing. The name of the participant in the drawn entry form will be called out three times before deeming this participant's entry invalid and drawing out a new valid entry form. This process will be repeated ten times until either a valid entry form is drawn from a participant who is present in the room at the time the prize is being awarded, in which case this participant will be declared the winner of the drawing, or, if after ten attempts, no valid entry form from a present participant is drawn, the draw will end without the prize being awarded.

Anton Paar's decision on the drawing is final and cannot be appealed. Any recourse to courts of law is excluded. Anton Paar assumes no liability whatsoever, including negligence, arising in any way out of or in connection with this drawing.
